

IMPORTANT NOTICE

The Wiki registration page has been discovered by bots that can automatically create registration events, despite the anti-spam Captcha options. This led to 100-s of false registrations that flooded our system and mailboxes.

Therefore, we had no option but to disable registration through the Wiki. Users who want access to this Wiki can send a request by email to the Wiki administration address: `ro_wiki at astron dot nl`.

We apologize for inconvenience caused by this, and are investigating better anti-spam measures.
