

PLEASE NOTE:

The LOFAR Wiki has a new URL: <https://www.astron.nl/lofarwiki>

Please use the new URL in your documents, communication, etc. The old URL will still work as a hyperlink, but will be redirected to the new URL.

IMPORTANT NOTICE

The Wiki registration page has been discovered by bots that can automatically create registration events, despite the anti-spam Captcha options. This led to 100-s of false registrations that flooded our system and mailboxes.

Therefore, we had no option but to disable registration through the Wiki. Users who want access to this Wiki can send a request by email to the Wiki administration address: ro_wiki at astron dot nl.

We apologize for inconvenience caused by this, and are investigating better anti-spam measures.

Arno Schoenmakers, Wiki administrator

Welcome to the LOFAR Wiki !

This is the LOFAR wiki, the information exchange board for all people actively involved in the LOFAR project. A small part of this Wiki space is public, but most is restricted and requires registration.

- General LOFAR information can be found on the [LOFAR website](#), **NOT** in this Wiki!
- New users need to [**register here**](#) to get access to the restricted areas; please read the information on the registration page carefully to understand the registration process!!
- Users that have an account already can [**Login here**](#).
- You can [**change your password here**](#) (after logging in!).

Shortcuts to main LOFAR wiki sections are given in the side-panel on the left. A search box is provided there as well.

FIRST TIME USERS SHOULD READ THE [INTRODUCTION AND GUIDELINES](#) FIRST!

Visitor Sections

- [LOFAR access](#)
- [Meetings, Workshops, Reports, docs](#)
- [Science](#)
- [International partners](#)

- [User Software](#)

Other Sections and a Search bar can be found on the left side of this page.

Contact

All questions and remarks about this wiki can be send to the Wiki administrator (ro_wiki (at) astron (dot) nl).
