

PLEASE NOTE:

The LOFAR Wiki has a new URL: <https://www.astron.nl/lofarwiki>

Please use the new URL in your documents, communication, etc. The old URL will still work as a hyperlink, but will be redirected to the new URL.

Welcome to the LOFAR Wiki !

This is the LOFAR wiki, the information exchange board for all people actively involved in the LOFAR project. A small part of this Wiki space is public, but most is restricted and requires registration. Users who want access to this Wiki can send a request by email to the Wiki administration address: ro_wiki at astron dot nl.

- General LOFAR information can be found on the [LOFAR website](#), **NOT** in this Wiki!
- Online registration has been disabled; see the notice above for instructions on how to obtain an account.
- Users that have an account already can  ****Login here****. There is a button, if you need a new password.
- You can  ****change your password here**** (after logging in!).

Shortcuts to main LOFAR wiki sections are given in the side-panel on the left. A search box is provided there as well.

FIRST TIME USERS SHOULD READ THE [INTRODUCTION AND GUIDELINES](#) FIRST!

Visitor Sections

- [LOFAR access](#)
- [Meetings, Workshops, Reports, docs](#)
- [Science](#)
- [International partners](#)
- [User Software](#)

Other Sections and a Search bar can be found on the left side of this page.

Contact

All questions and remarks about this wiki can be sent to the Wiki administrator (ro_wiki (at) astron (dot) nl).
